Examiner's amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Gregg Jansen (303-938-9999 ext. 14) on Dec. 22, 2004; also he faxed the copy of our discussion as below.

Claims 15 and 35 changed as shown in bold as follows:

15. A method of operating a portable user device to register a user with a communication system, the method comprising:

receiving a user registration input in a device controller of the portable user device,

in response to the registration input, the device controller transferring a call signal to a tone generator of the portable user device and transferring a user identification signal to the tone generator;

receiving the call signal in the tone generator,

in response to the call signal, the tone generator **automatically** transferring audible call tones from the portable user device to a telephone device to initiate a telephone call;

receiving the user identification signal in the tone generator from the device controller, and in response to the user identification signal, the tone generator transferring audible user identification tones from the portable user device to the telephone device.

Art Unit: 2683

35. A portable user device for registering a user with a communication system, the user device comprising:

a device controller configured to receive a user registration input, and in response, transfer a call signal and transfer a user identification signal; and

a tone generator configured to receive the call signal, and in response, **automatically** transfer audible call tones from the portable user device to a telephone device to initiate a telephone call in the communication system, receiving the user identification signal in the tone generator, and in response, transferring audible user identification tones from the portable user device to the telephone device and over the telephone call.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Claims 1-40 are allowed based on Patel et al. in view of Uranaka et al.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sharad Rampuria whose telephone number is 703-308-4736. The examiner can normally be reached on Mon-Thu. (8:00-5:30) alternate Fri. (8:00-4:30).
